The processing operations connected to the web services of this website take place at the company's headquarters Zeta Research Srl and are overseen by dedicated personnel to the processing of data (administrative and employee relations with the public, staff management information systems that can also act as system administrator, partners, marketing personnel, interns, controllers and their associates, in charge of the specific area to which a request is made) only when the processing is necessary for the performance of their duties and only carrying out the operations necessary to perform the same tasks.

They can also be processed by companies outside the company who develop

conservation and management server, only for purposes related to the proper conduct of such activities.

No data deriving from the web service will be communicated or disseminated.

The personal data provided by users who send requests for information, publicity and other are, however, used only to perform the service or provision requested and are communicated to third parties only when this is necessary.

Types of data processed and the processing conditions

The data will always be treated by Zeta Research S.r.l. to fulfill an obligation according the law, regulation or communion legislation and to enforce or defend a right and should communicate the data to public authorities, judicial, police, lawyers / legal advisors, postal / shipping agents, if necessary.

Navigation data

The computer systems and software procedures used to operate of this website acquire, during their normal operation, some personal data whose transmission is implicit in the communication protocols of the Internet.

This informations are not collected to be associated with identified users, but by their nature could, through processing and association with data held by third parties, allow users to be identified.

This category of data includes IP addresses or domain names of computers used by users connecting to the website, URI (Uniform Resource Identifier) of requested resources, the time of request, the method used to submit the request to the server, the size of the file obtained in reply, the numerical code indicating the status of the reply given by the server (successful, error, etc..) and other parameters regarding the operating system and computer environment.

These data are used only to obtain anonymous statistics information on site usage and to check its correct functioning and are deleted immediately after processing. The data could be used to ascertain responsibility in case of hypothetical computer crimes against the site.

The data may be processed in paper or computer and telecommunication.

Data provided voluntarily by user

The optional, explicit and voluntary sending of electronic mail to the addresses indicated on this website, entails the subsequent acquisition of the sender's address necessary to respond to requests, and of any other personal data included in the message (and attachments to the same) or included in the forms provided. Where are reported only e.mail contact without the proper form, by sending the e-mail you consent to the processing of data (e-mail address and data contained within the request) by Zeta Research S.r.l., in accordance with this privacy policy in order to respond to e-mail and to respond to requests contained in them. The submission of data is optional, but the failure to address, or other information required to process your request, will make it impossible to answer to the e-mail and to fulfill the request.

The data may be processed in paper or computer and telecommunication.

According to the service required, however, you take note of all the specific information in the various sections of the website to know all the purposes and methods of treatment specifications contained in them.

Cookies

No personal data concerning users is acquired by the website.

We do not use cookies to transmit information of personal nature, nor are used persistent cookies of any kind, or systems for tracing users.

The use of session cookies (which are not stored permanently on the user's computer and disappear when the browser is closed) is strictly limited to transmitting session identifiers (consisting of random numbers generated by the server) necessary to consent the secure exploration and efficient site.

The session cookies used in this website avoid the use other technologies that could compromise the privacy of users browsing and do not allow acquisition of personal data identifying the user.

Communication and diffusion

No data deriving from the web service (so the navigation data specified above and cookies) is communicated or diffused (unless the communication to judicial or police order if necessary).

The data provided by users may be disclosed to the subjects for which there is a reporting obligation according to the law or necessity of communication in order to assert a right; and may be disclosed to any carrier/agents recharged by Zeta Research S.r.l. for the shipment of the ordered material; and may be communicated to the categories of persons specified in the specific information in the various sections of the website

Specific information

As already mentioned, are present within the website specific summary information in the web pages dedicated to particular services on request. Please refer also to such information that supplement this policy.
